Changing the Face of New York Litigation

Wilson & Chan is widely known for providing outstanding legal services in the areas of commercial litigation, defense litigation, and advisory services to key clients across a wide spectrum of industries. We are very proud to be certified as a Minority Business Enterprise (MBE), a Disadvantaged Business Enterprise (DBE) and a National Association of Minority & Women Owned Law Firms (NAMWOLF) member.

Since 2006, Fortune 500 corporations, New York State agencies/municipalities, start-ups, sureties, insurers, developers, and contractors, among others have sought us out time and again for our exceptional and sophisticated experience. Clients come to us because of our broad base; our attorneys appear in state court in New York City and Nassau, Suffolk and Westchester counties, as well as in federal court in New York and New Jersey. Clients also are drawn to us because of our emphasis on top-notch communication, the foundation of our relationships. We are by their side all along – through counseling, transactions and litigation. We view every matter as a bet-the-company case. Because to our clients, it is. And that's what counts.
